### **CAPTRUST Foundation Lends Helping Hands to Habitat**

**RALEIGH, N.C.** (June 29, 2009) – The CAPTRUST CAPCommunity Foundation participated in a local Habitat for Humanity “Deconstruction” project Saturday when a team of CAPTRUST volunteers worked together with other volunteers to deconstruct a 4,000 square foot home in North Raleigh. All salvageable building materials from the deconstruction project will be donated for resale at the Habitat for Humanity “ReStore” to help fund the construction of new Habitat homes for deserving families across Wake County.

The CAPCommunity Foundation, a registered 501(c)(3) charity, was organized in 2004 to provide CAPTRUST employees with more opportunities to participate as a group in community outreach efforts. “The goal of the Foundation is to promote the appreciation of our communities by encouraging our teammates to contribute time and resources to local charities,” says J. Fielding Miller, CAPTRUST co-founder and CEO. “I couldn’t be more proud of our team for supporting the extraordinary efforts of Habitat for Humanity.”
